

## List of calls targeting China in H2020 WP 2018-2020

2017-11-06 BSEAC DragonStar

The new calls for H2020 WP 2018-2020 were launched on October 27th, 2017!!

All the calls targeting China are now available at:

[http://ec.europa.eu/research/participants/data/ref/h2020/other/hi/h2020\\_localsupp\\_china\\_en.pdf](http://ec.europa.eu/research/participants/data/ref/h2020/other/hi/h2020_localsupp_china_en.pdf)

Consult this link also for more info regarding available local programs or funds that could provide support to Chinese participants for H2020!

If you are a Chinese organization/academia/research institute/SME etc. and you wish to participate to H2020 projects, do not hesitate to contact our DragonStar Plus team, we will be happy to provide support and assistance!

The DragonStar Plus project received funding from the EU's Horizon 2020 programme for research, technological development, and demonstration, aiming to strengthen the bilateral cooperation between China and the EU in Research & Innovation!
